Silver Leader Club
@ Kingston Downs

Notes from the President

The North Georgia Fall Fly In 23' was a huge success! We had almost 50 registered pilots at the event and a little over 120 total people who came out during the day. The turnout was amazing... the weather was amazing... the food was amazing... and the flying was amazing.

Many thanks to the club members who came out to participate. Also, I can't thank those who planned, helped out, served food, and worked the event enough. BCMA can't put something on like this without your help. We drew pilots from neighboring clubs, states (TN, AL, Wisconsin!) and a few looking for a home to fly at. We have also far surpassed our budgeted goal for this event and the final numbers will be published soon.

Our final club meeting of the year will be at the field on Saturday, December 2nd @ 11:00 with a lunch of hot dogs, chips, drinks and dessert afterwards. We are voting on the 2024 officers, 2024 Budget, new members, etc. so please be there and bring some planes to fly!

Jeff Holland
President

There was only one nomination for each officer position this year. The club will be voting to accept at the December 2nd Club meeting.
